A WIDESPREAD  
UNIVERSITY  
CAMPUS

# Campus Assignment for Incoming Nursing Students

The Nursing School at the University of Padua operates across **eight campuses**:

Feltre, Mestre, Monselice, Padua, Portogruaro, Rovigo, Schio, and Treviso.

Each campus represents **excellence in the Health area** and provides opportunities for study and training.

---

**Incoming students will be assigned** to one of these campuses  
**after completing their application on Mobility Online.**

**An official communication regarding the assigned campus will follow.**

We will do our best to accommodate students' preferences, depending on availability and other relevant factors.

## **IMPORTANT NOTE**

Please **do not book housing** or make any reservations **until** you have received **confirmation of your campus assignment.**
